

Out of the fire come memories & dreams....

Reignite Your Memories & Dreams!

As you reflect on the times you have spent at Oakland House Cottages by the Side of the Sea or the Hostel@Acorn by the Sea you will recall amazing things as your mind flips through pages in your memory book. How easily our minds can bring back moments in time, the sounds, smells, sights, flavors and the feel of things saved in our memories while here. Mmmmmm, think back.....

**Every visit is different.
Every visit is the same.**

- ☺ Lingering as shadows of the lighthouse and the islands darken while a blaze of sun paints multi-colored flames across all of East Penobscot Bay.
- ☺ Marveling at glistening dew drops on the tiny spider webs in the grass making them look like gauzy drapes in the blades of grass (fairy tablecloths).
- ☺ Sitting in your jammies in a porch rocker waiting for the coffee to brew. Someone lets a screen door close. "Squeek, bang" in the still of the morning.
- ☺ Buying fresh, still warm from the sun, blueberries from a nearby stand.
- ☺ Pondering how that pile of chewed up pine cones got on the tree stump.
- ☺ Smelling the scent of warm earth and pine needles on a mellow fall day.
- ☺ Searching through the purple periwinkle shells that for some reason are assembled all together on the beach.
