

Cheers!

THANKS FOR A WONDERFUL 2014 SEASON!

I am so grateful for the joy, energy and life you brought to our old-fashioned seaside retreat. Now entering our 126th season, our memories of the past happily linger on. One guest wrote in their cottage Guest Book: "Oh terrible day, we must leave again. Go back to work and stop gazing out to sea, at least for another year....All of this, I take with me for a suitcase of memories that I can open when needed until next year, to fill up again." What is life but our memories of family and friends and the fun things we did with them?

FOND MEMORIES OF 2014:

- *A family reunion drawing members from around the world.
- *The return of my own family and grandchildren...ahhhhh.
- *That glorious view from Herricks Landing.
- *Events in the barn open to all: barn dancing and "open mic."
- *Kayaks delivered to Herrick's Landing for our guests by The Activity Shop of Blue Hill.

HOW DO YOU MAKE A WISH COME TRUE?

By placing your name in our wish jar for 2015! It has long been tradition to provide loyal guests with first-pick of cottages and dates for the upcoming season. We do not take reservations until after the New Year to ensure that you have time to drop us a line with your preference for week and cottage. After the New Year we begin to pull wishes from the "Wish Jar" and build our reservation board. Sometime in February, after tentatively holding space for you, we will send a formal quote and request for a deposit to secure your reservation. Let us know your WISHES while we're "buttoned up" for winter so we can do our best to provide the 2015 vacation you are longing for!

A SUMMER'S DREAM...As for summer...she hasn't left me as the chill of winter sets in. Her warmth has burrowed deep into my soul and will keep me warm over the short, dark days still to come. My heart gives thanks for this continuous summer that is the very body and soul of the Oakland House. I am better for loving you.
